#### U.S. PATENT DOCUMENTS

| * |   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY | Name                    | Classification |
|---|---|--|-----------------|-------------------------|----------------|
| * | A | US-6,292,797                                     | 09-2001         | Tuzhilin et al.         | 707/6          |
| * | B | US-6,832,216                                     | 12-2004         | Shintani et al.         | 707/2          |
| * | C | US-6,385,608                                     | 05-2002         | Mitsuishi et al.        | 707/6          |
| * | D | US-6,763,354                                     | 07-2004         | Hosken, Benjamin E.     | 707/6          |
| * | E | US-6,272,478                                     | 08-2001         | Obata et al.            | 706/12         |
| * | F | US-6,697,791                                     | 02-2004         | Hellerstein et al.      | 706/47         |
| * | G | US-6,615,211                                     | 09-2003         | Beygelzimer et al.      | 707/6          |
| * | H | US-6,996,551                                     | 02-2006         | Hellerstein et al.      | 706/48         |
| * | I | US-6,792,456                                     | 09-2004         | Hellerstein et al.      | 709/224        |
| * | J | US-6,836,894                                     | 12-2004         | Hellerstein et al.      | 719/318        |
| * | K | US-2004/0049504                                  | 03-2004         | Hellerstein et al.      | 707/005        |
| * | L | US-2004/0181519                                  | 09-2004         | Anwar, Mohammed Shahbaz | 707/003        |
| * | M | US-2002/0103793                                  | 08-2002         | Koller et al.           | 707/3          |

#### FOREIGN PATENT DOCUMENTS

| * |   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY | Country | Name                     | Classification |
|---|---|--|-----------------|---------|--------------------------|----------------|
|   | N | WO 03023654 A2                                   | 03-2003         | PCT     | Anwar, Mohammed, Shahbaz | 17/30          |
|   | O | WO 02/103954 A2                                  | 12-2002         | PCT     | Guyon, Isabelle et al.   |                |
|   | P |  |                 |         |                          |                |
|   | Q |  |                 |         |                          |                |
|   | R |  |                 |         |                          |                |
|   | S |  |                 |         |                          |                |
|   | T |  |                 |         |                          |                |
